Subject: FW: '97 Van Lighter Inventory...
To: Sanders, Kenya

Hi guys,

I'm working with Cliff Yonce on the Marlboro Country and Hispanic dance programs. We're looking to use as much residual inventory as possible.

Cliff got information that there were 94,361 lighters in inventory from the '97 van program. They are at PM Express and unfortunately the POS # is a little blurry on his faxed copy, but the last # of the POS # is 8.

Do you have any information on this item?

Thanks,
Kathy
